DURABLE. MOBILE. RELIABLE.

The PFS Portable Floor Scale incorporates industrial design features developed for our most advanced weighing systems. Multiple configurations to meet specific industrial weighing applications. Available with any Doran stainless steel indicator.

PORTABLE FLOOR SCALES

PFS Series Portable Floor Scale

SELECT FROM MULTIPLE CONFIGURATIONS FOR EXTREME AND WASHDOWN ENVIRONMENTS

With its rugged design, welded stainless steel frame and bright LED displays, you can customize this portable floor scale with your choice of seven different digital weight indicators. Upgrade the digital weight indicator with its proper battery powered option to maximize portability.

Using the handles mounted at 41.5" with an overall height of 59", the PFS can be quickly moved and then anchored in place with the swivel and locking casters.

INNOVATIVE DESIGN & PERFORMANCE FEATURES

- The sturdy, welded tube mild steel frame of the base is designed to withstand the use and abuse of extreme industrial applications.
- Two fixed and two swivel plastic locking casters.
- All stainless steel construction.
